

Defeated

I failed this one. Some of the premises for the first assignment confused me, mainly because of the language, and as such I worked mainly with the second one. Admittedly, I started working on this way too late, a mistake I realized later than I should have. Because I don't want to turn in anything half-done, this is a placeholder.

Defeat is a state
of mind;
no one is ever
defeated until defeat
has been accepted as
a reality.
